Merchant List

The Gillette Gold Gift Certificate program was initiated as a program to promote local products and services and reduce retail purchase leakage to surrounding communities. This program generates more than \$500,000 annually in retail purchases.

The Gold program was established with "ease of use" in mind. Please review the policies listed below to enjoy the full benefits of the Gillette Gold Gift Certificate program.

1. Certificates are issued with an 18 month expiration date and that date cannot be extended nor can expired certificates be redeemed.
2. Certificates shall be redeemed for merchandise or services rendered by Chamber members in good standing only.
3. Certificates are redeemed at face value similar to any other checking transaction and should be endorsed when used. Merchants are encouraged to provide change to the customer as a courtesy.
4. Lost, damaged, stolen or expired certificates **may not** be replaced
5. Gold Certificates which do not have an expiration date cannot be redeemed.
